TURF RENOVATION

STAND-ON SPREADER SPRAYER

This new addition to Toro's Turf Renovation products makes spreading and spraying turf properties a whole lot easier. Toro's Stand-On Spreader Sprayer is the industry's most innovative product of its kind, offering Lean to Steer technology, easy-to-use controls, and large capacity in a compact design.

OUTSTANDING PRODUCTIVITY & PERFORMANCE

Increase productivity with fast forward speeds of up to 8.8 km/h. Paired with a large 79.4 kg hopper and a 75.7 litres spray tank, you can count on less time spent re-filling and more time getting the job done. High productivity along with superior precision makes Toro's Stand-On Spreader Sprayer the ultimate choice for landscape professionals.

EASY-TO-USE CONTROLS

The easy-to-operate control panel allows the operator to conveniently make adjustments to spread and spray settings. Featuring Toro's new Lean to Steer technology, these adjustments can be made on-the-fly at any time during operation because one hand is always free.

INCREASED VERSATILITY

Feed and treat all turf types and property sizes with one efficient, multi-use machine. Spread, spray or do both at the same time. A standard, hand-held spray wand is easily accessible and perfect for precise spot treatments, while the machine's large capacity makes it ideal for larger commercial properties as well.

TORO® STAND-ON SPREADER SPRAYER**MODEL 34215**

ENGINE	9 hp (6.6 kW) Subaru EX27, 265 cc
FUEL CAPACITY	6.1 litres

WIDTH	90.1 cm
HEIGHT	130 cm
WEIGHT (DRY)	226.8 kg
FRONT WHEEL	13 x 6.5"-6"
REAR WHEEL	18 x 7.5"-8"
FRAME	Stainless Steel
WARRANTY*	1 year

**LEAN TO STEER TECHNOLOGY**

This new, innovative steering system lets the operator control forward/ reverse and left/right steering with one hand, leaving one hand free at all times for adjustments on the fly. This allows for excellent convenience, control, and manoevrability.

**LARGE CAPACITY**

From the 75.7 litres spray tank and 79.4 kg hopper capacity to the 6.1 litres fuel tank, Toro's Stand-On Spreader Sprayer is designed to maximise ground coverage and reduce re-fill stops - more time spent getting the job done and less down time. This results in increased productivity and outstanding efficiency.

**EASY-TO-USE CONTROLS**

The easy-to-operate control panel allows the operator to conveniently make adjustments to spread and spray settings. Featuring Toro's new Lean to Steer technology, these adjustments can be made on the fly at any time during operation because one hand is always free.

**COMFORTABLE, COMPACT DESIGN**

The compact design allows for exceptional manoevrability in tight spaces so spraying and spreading is possible in any area. The stainless steel operator platform, isolation mounts and the ergonomic padded knee bolster allow for a more comfortable ride and reduced operator fatigue.

Products depicted in this literature are for demonstration purposes only. Actual products offered for sale may vary in use, design, required attachments and safety features. We reserve the right to improve our products and make changes in specifications, designs, and standard equipment without notice and without incurring obligation. The gross horsepower of this engine have been laboratory rated by the engine manufacturer. As configured to meet safety, emission and operating requirements, the actual engine horsepower on this class may be significantly lower.

Many of the products you will find in certified Toro dealers' stores come with a warranty or guarantee from The Toro Company. In addition, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
