

The TORO logo is displayed in white, bold, sans-serif capital letters within a red rounded square.

BRUSH CUTTER BRC-28

The Toro product line-up has expanded with the addition of the 71.1 cm hydraulic drive brush cutter. The commercial-grade self-propelled brush cutter allows operators to level brush, tall weeds, saplings and heavy vegetation with ease. The Toro hydro drive brush cutter, featuring a pivoting deck, can handle brush up to six feet tall and saplings up to two inches in diameter.

QUALITY PERFORMANCE

Larger fuel tank capacity, combined with the wide 71.1 cm cutting deck increases operator productivity. The pivoting deck makes for easy manoeuvring over uneven terrain.

DURABLE & POWERFUL

Superior product design, including a high-strength steel deck, 3.56 cm spindle shaft and large diameter pulleys optimise the longevity of the machine.

SAFE & EASY TO USE

Simple, intuitive traction controls ensure both professional and new operators alike will be able to master. Two-step blade engagement coupled with a parking brake, enhance safety for the operator.

TORO® BRUSH CUTTER BRC-28**MODEL 23522**

ENGINE	14.5 hp (10.8 kW) Toro single cylinder, 452 cc

**QUALITY PERFORMANCE**

The flail blade can handle the toughest jobs with increased cutting performance. The standard hour meter helps keep your machine up-to-date on service needs.

**DURABLE & POWERFUL**

Standard electric start and a powerful 14.5 hp Toro engine. Improved electric clutch design holds up against the force of blade impacts.

**SAFE & EASY TO USE**

Knuckle guards and durable rubber deck flaps give added protection during brush removal. Manoeuvre this powerful machine both forward and reverse with the one-hand control feature.

Products depicted in this literature are for demonstration purposes only. Actual products offered for sale may vary in use, design, required attachments and safety features. We reserve the right to improve our products and make changes in specifications, designs, and standard equipment without notice and without incurring obligation. The gross horsepower of this engine have been laboratory rated by the engine manufacturer. As configured to meet safety, emission and operating requirements, the actual engine horsepower on this class may be significantly lower.

Many of the products you will find in certified Toro dealers' stores come with a warranty or guarantee from The Toro Company. In addition, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
