

ECLIPSE END OF LIFE TRADE-IN PROGRAM*

On 6th April, 2015 DCI announced the end of life for the DigiTrak® Eclipse® locating system and repair support will no longer be available. The performance of the Eclipse is well recognised and DCI know this decision will be unwelcomed by many.

For this reason, DCI is offering a generous upgrade path for customers during the next 6 months. Trade-in value for the Eclipse will be the highest ever offered to DCI customers.

THE DEAL

Trade your Eclipse Receiver, Eclipse MFD and 1 x Eclipse Transmitter (Full System) on an F5 or F2 system and Aurora display, and receive 25% discount and a free transmitter of your choice, plus a Toro work pack.

***Trade-in Program ends 30th September 2015. Call for your price today!**
