POWER WITHOUT COMPROMISE

Charged Up
Cut up to 1300m² with full battery.

Built for Tough Conditions
Made to last, the steel deck provides excellent durability.

Ready to Work
The 60 volt battery has intelligent battery software to maximise run time and power.

SmartStow® Reduces the storage footprint by up to 70%^, and provides easy access to clean under the deck and service the blade.

Vortex Technology provides more airflow to supercharge your grass cutting. The ultra-fine clippings created by our Recycler® Mulching System become Lawn Vitamins™, nourishing your grass and cultivating a greener, more lush lawn.

^Space savings are in relation to the space consumed by a Toro® 22" Walk-Power Mower that is stored with the handle in the standard operating position.

MOW MORE
IN LESS TIME

The Toro 60V eTimeMaster™ Automatic Drive System Lawn Mower with 2 x 10Ah Batteries and rapid charger. Rely on our 76cm wide all-steel deck and cast aluminium frame for years of durable use. Run for over 60 minutes with the included batteries or up to 100 minutes with the active three battery ports powerhead. And Automatic Drive System detects your pace and adjusts on the go. Plus, together with our Dual Force™ Cutting Technology – Toro’s patented timed two-blade system – you’ll slash your cutting time by 40%***

***Time savings via wider cutting path and enhanced speed of eTimeMaster™ vs. 21 in. Toro mower, and willvary due to mowing conditions.

Commercial Quality
Precisely timed, twin-blade cutting system powered by a commercial-grade 179 cc Kawasaki engine.

Productivity
3.8 litre long range fuel tank and simple two-bail control system.

Effective on Hilly Terrain
The upgraded transmission has a new disc brake assembly, a belt tensioner built-in and a fan on top to help disperse heat. This transmission provides much higher drive force to the rear wheels.

POWER, PERFORMANCE,
CONVENIENCE

The Flex Force Power System® on the commercial-grade Toro Proline Cordless Mower includes a 2kW brushless 60V MAX* motor and intelligent software to maximise runtime and power. You can quickly set the mower for your preference of recycling or bagging, and the 53 cm cutting width provides excellent manoeuvrability while covering plenty of ground. The high-capacity, easy-empty bag saves time, and you’ll save still more time because the mower is virtually maintenance-free with no air filters or oil changes to worry about. The corrosion-resistant aluminium alloy deck helps ensure long-term durability.

**See your certified Toro dealers for details on all of our warranties. We reserve the right to improve our products and make changes in specifications, designs and standard equipment without notice and without incurring obligation.
